Board Diversity Policy and Status

In accordance with Article 20 of the "Corporate Governance Best Practice Principles", the members of the board of directors should generally possess the knowledge, skills and experience necessary to perform their duties. In order to achieve the ideal goals of corporate governance, the board of directors should have the following capabilities:

- 1. Ability to make sound business judgments.
- 2. Ability to perform accounting and financial analysis.
- 3. Ability to manage a business.
- 4. Ability to handle crisis management.
- 5. Knowledge of the industry.
- 6. International market perspective.
- 7. Leadership ability.
- 8. Decision-making ability.

Based on the Company's medium- and long-term development strategy and effectiveness of resolution function of the board, the Company has stated explicitly its board diversity policy in the Corporate Governance Best Practice Principles. The implementation status of current directors: Mr. Yu-Heng Chiao, Ms. Chin-Hui Chen, Mr. Tom Soong and Mr. Anson Chiu are experts in leadership, business judgment, business management, crisis management, and have industry knowledge and international market perspective; Mr. Tien-Chun Tsai is good at financial, accounting and corporate governance fields; Mr. Ben Chi has extensive industry experience; Mr. Te-Chen Chiu is good at industry analysis and business management.

The current board of directors is composed of seven directors, including four directors and three independent directors. None of the directors is employee; independent directors account for 43%; one independent director's tenure is over 9 years, and two independent directors' tenure is less than 3 years; two directors are between 61 and 70 years old, and five directors are between 51 and 60 years old. The current seven directors include one female director, representing 14% of total directors.

The specific management goals and achievement of the board members diversity policy:

1. Management goal: Having different professional backgrounds or work experience. Achievement: All directors have work experiences required for the Company's business.

As for professional fields, 57% of all directors have both business and corporate management background, 29% of all directors have electrical engineering background, and 14% of all directors have Industrial management background.

2. Management goal: The ages and qualifications of the board members are diversified, more than one third of the board seats are under 60 years old (inclusive).

Achievement: There are currently 7 directors, of which 5 directors are under the age of 60 (inclusive), representing 71% of total directors.

Diversity achievement as follows:

Diversity Items Name	Gender	Age		Independent Directors' Tenure		Professional	Ability to Make Sound	Ability to Perform Accounting	Ability to Manage a	Ability to Handle	Knowledge of the	International Market	Leadership	Decision- Making
		51 60	61 70	Less than 3 Years	Over 9 Years	Background	Business Judgments	and Financial Analysis	Business	Crisis Management	Industry	Perspective	Ability	Ability
Yu-Heng Chiao	Male		v			Corporate management	v	v	V	v	V	v	v	v
